Mayor Michael Wildes
City of Englewood
2-10 North Van Brunt Street
Englewood, NJ 07631

Dear Mayor Wildes:

Thank you so much for speaking to the Institute for Learning in Retirement adult students on September 25th at Bergen Community College. The class members found it most enlightening that various communities have different forms of government and procedures. Many of them commented positively and thanked us for your presentation.

President G. Jeremiah Ryan joins me in expressing our appreciation for your participation.

Sincerely,

Lois E. Marshall
